SOUTH CAROLINA
DOCKET NO. 2013-275-WS - ORDER NO. 2014-516

JUNE 26, 2014

IN RE:	Application of Carolina Water Service, Inc.)	ORDER GRANTING
	for Adjustment of Rates and Charges, and)	TARIFF MODIFICATION
	Modification of Certain Terms and)	
	Conditions for the Provision of Water and)	
	Sewer Service)	

This matter comes before the Public Service Commission of South Carolina (“Commission”) on a request by Carolina Water Service, Inc. (“CWS” or the “Company”) to modify certain language of its water and sewer tariff concerning the imposition of a reconnection charge. The tariff was approved by Order No. 2014-207 (March 4, 2014), but prior to its approval, language mentioning a reconnection fee was removed. However, despite this removal, the Company explains that the subsection titled “C) Disconnection Charges:” still retains reference to a “reconnection charge,” which may be confusing. To correct this problem, CWS would like to remove this language as well. Specifically, the phrase to be eliminated states: “and the imposition of a reconnection charge is not feasible...”

The Office of Regulatory Staff has reviewed this language and does not object to the change.

We find that the proposed modification is in the public interest and therefore hold that it is approved.
